eShop – GET SPARE PARTS IN RECORD TIME

For uninterrupted production

Your Feintool press will only achieve peak performance if it is fitted with original spare parts. We pull out all the stops to prevent valuable machine operating time trickling away while you are changing parts. Our eShop makes it quicker to identify the parts that need to be replaced and handles ordering and dispatch in record time.

Minimize unproductive time

Deal with unscheduled machine outages as quickly as possible. The Feintool eShop checks parts availability in record time and guarantees fast dispatch. As such, it plays an important role in increasing overall equipment effectiveness (OEE).

It's up to you:

- ▶ Minimize unscheduled outages
- ▶ Increase OEE thanks to rapid access to original Feintool spare parts

You benefit from:

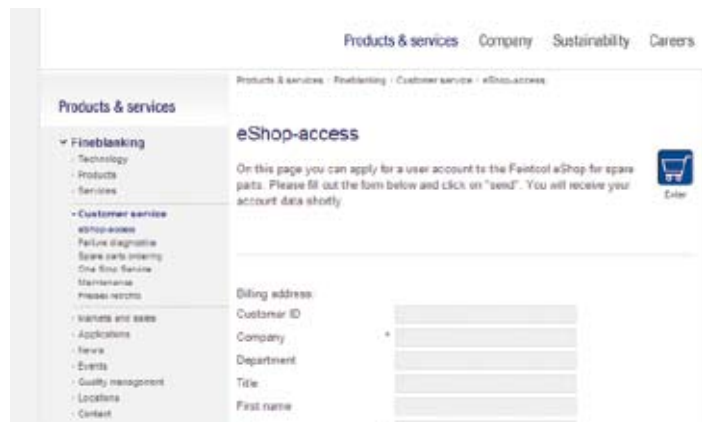

- ▶ 24/7 opening, anywhere in the world
- ▶ Availability information
- ▶ Price information
- ▶ Substantially shorter parts identification and quote preparation times
